Project Scope

Exactly what's included in your website build — no surprises, no vague line items.

- ✓ Custom design built around your business and your customers — not a template
- ✓ Mobile-first: looks right on every phone, tablet, and desktop
- ✓ Lead capture built in — every enquiry goes straight to you
- ✓ Your services, photos, reviews, and contact details, all in
- ✓ Launched live on your domain, 1–3 days from payment
- ✓ Full handover — you own the site

Billed separately (optional add-ons):

Meta ads management · Lead dashboard build & handoff
